Dear Abutter,

Re: Proposed Curb Modifications – 1740 Massachusetts Avenue

We are writing to inform you of proposed curb modifications associated with our mixed-use redevelopment of the property located at 1740 Massachusetts Avenue. As part of this project, we will be modifying one existing curb opening and closing one existing curb cut currently providing access to the property.

Enclosed with this letter, please find a double-sided plan set prepared in connection with this application. One side depicts the existing conditions of the property, while the reverse side illustrates the proposed conditions with the curb modifications highlighted for your reference.

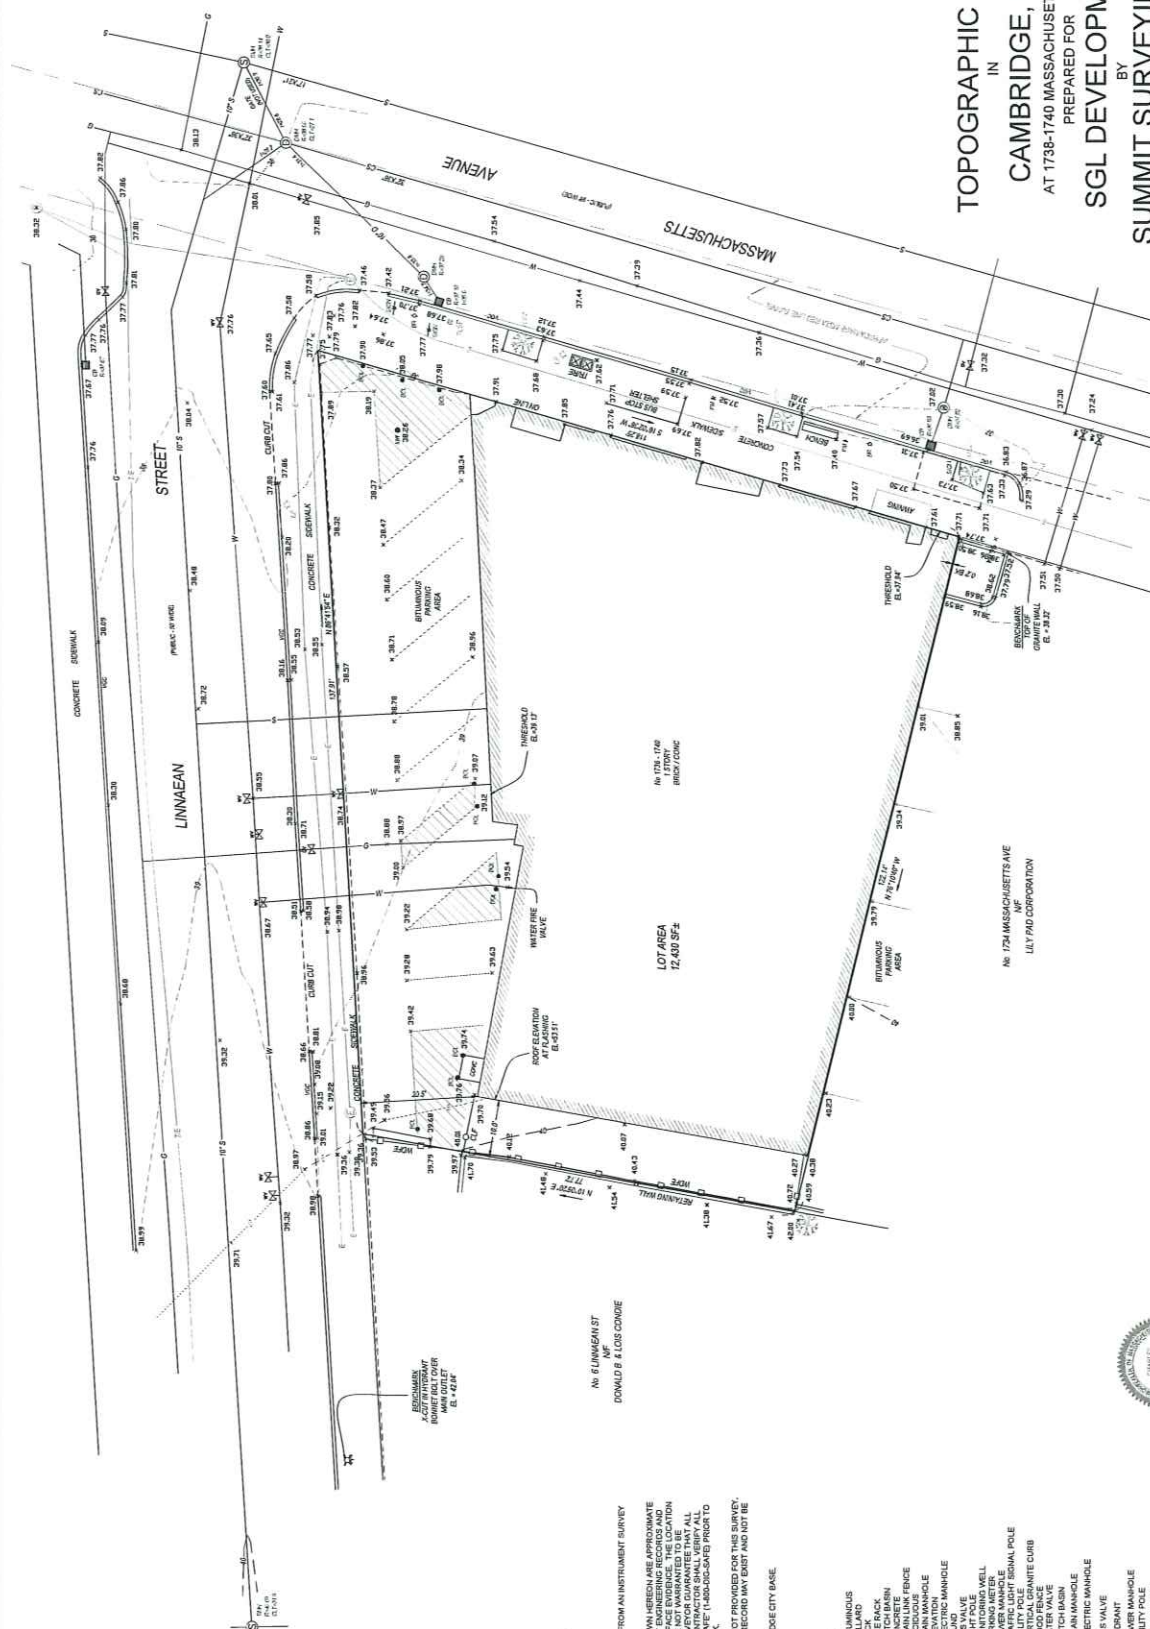

If you have any questions or comments regarding the proposed curb changes, please do not hesitate to contact us by email at adam@sgldevelopment.com. We would be happy to arrange a call or a site meeting at your convenience to discuss the proposed modifications in further detail.

As part of this permitting process, we are required to provide you with an "Application for Driveway Cuts and Openings Abutter's Form." We kindly request that you complete the enclosed form and return it to us in the self-addressed stamped envelope provided.

We appreciate your time and cooperation in this matter, and thank you in advance for your prompt response.

Sincerely,

Dear Mr. Siegel, Mr. Seaver, and other Developers:

We will consider signing "yes" to this form in the future should you meet the following conditions:

1. Your vehicles, service personnel, tenant moving vehicles, and other tenant vehicles will never block our driveway during garbage pickup, tenant events, service calls, or any other situation arising from anyone's use of your 1740 Massachusetts Avenue, Cambridge, MA, property.
2. You will eradicate the significant rat problem emanating from your 1740 Massachusetts Avenue, Cambridge, MA, property.
3. You will ensure that future tenants and their associated garbage do not re-ignite the rat problem emanating from your 1740 Massachusetts Avenue, Cambridge, MA, property.
4. You will pick up garbage at a reasonable hour of the day, not midnight or after.

Also, please consider reimbursing us in the amount of \$180 for the chokeberry bushes we planted last summer that soon will be shaded and die due to your multi-story property that will block all morning sun from our property.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lois & Don Condie".
