IN CITY COUNCIL
June 8, 2026

To the Honorable, the City Council:

I am hereby requesting the appropriation of HOME Grant Program Income of \$18,970.32 to the Public Investment Fund Housing Department Extraordinary Expenditures account.

Periodically, the Housing Department receives program income related to U.S. Department of Housing and Urban Development (HUD) grant programs. HOME Program income comes when loan repayments are made from affordable housing developments that were created with HOME funding

Appropriating these funds increases the resources available to support affordable housing development.

Very truly yours,

Yi-An Huang
City Manager

City of Cambridge
